

I can visit Butter Meat Co.

We are going to visit a shop on Main Street in Perry called Butter Meat Co.

They sell lots of different things.

I will see pastas, candy, meat, and ice cream for sale.

It is my job to not touch any of the things they have for sale.

The meat cooler makes a loud noise I might not like.

I can ask the worker at the store for noise canceling headphones.

The grown up I am with might not buy me anything.

This is OK!

I can say, "maybe next time."

My grown up will tell me when it is time to leave.

I can get ice cream at Butter Meat Co.

I can use the picture menu or my words to order ice cream.

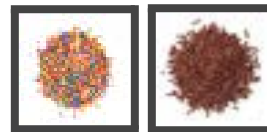

I can choose chocolate, vanilla, or twist soft ice cream.

I can get my ice cream in a cone or a dish.

I can get rainbow or chocolate sprinkles or no sprinkles.

I can sit at the table and eat my ice cream.

I will use a napkin if I make a mess.

When we are all done with our ice cream, we can say "thank you" and "good-bye".
